Crispy Namkeens

Company Profile

About Us

Priniti Foods Pvt. Ltd. is a renowned name in the field of Snacks & Food Items. With exquisite taste, impeccable quality and competitive prices, we have entrenched ourselves as one of the most preferred manufacturers of Indian Traditional Snacks and Food Items such as Chips, Puffs, Rings, Sticks, Namkeen, etc., With the combination of fair business principles, efficient service and solid products, we expect a successful and growth oriented future. Regarding credibility as the first priority, we conduct all our operations in a professional way. Due to the manufacturing of excellent quality products, we have established a strong reputation in the market. All our food products are made of quality raw materials.

Our Infrastructure

Our state-of-the-art manufacturing unit coupled with the most sophisticated infrastructure is the mantra of our success. Our world class machineries are installed with cutting edge technology taking us far ahead of our competitors. We are equipped with a team of experts working with utmost dedication who utilize their skills to give the best quality products to the customers. The expertise of our workforce are enhanced with proper training from time to time. The whole processing is done in a hygienic and clean environment where all the measures are taken to maintain it round the clock.

Packaging and delivery is another aspect where intense care is taken. Packaging is done keeping international standards in mind and it is ensured that the finished products don't get contaminated by human touch. Our advance and spacious warehouse is the backbone of the company and has capability to store bulk amount of orders.
